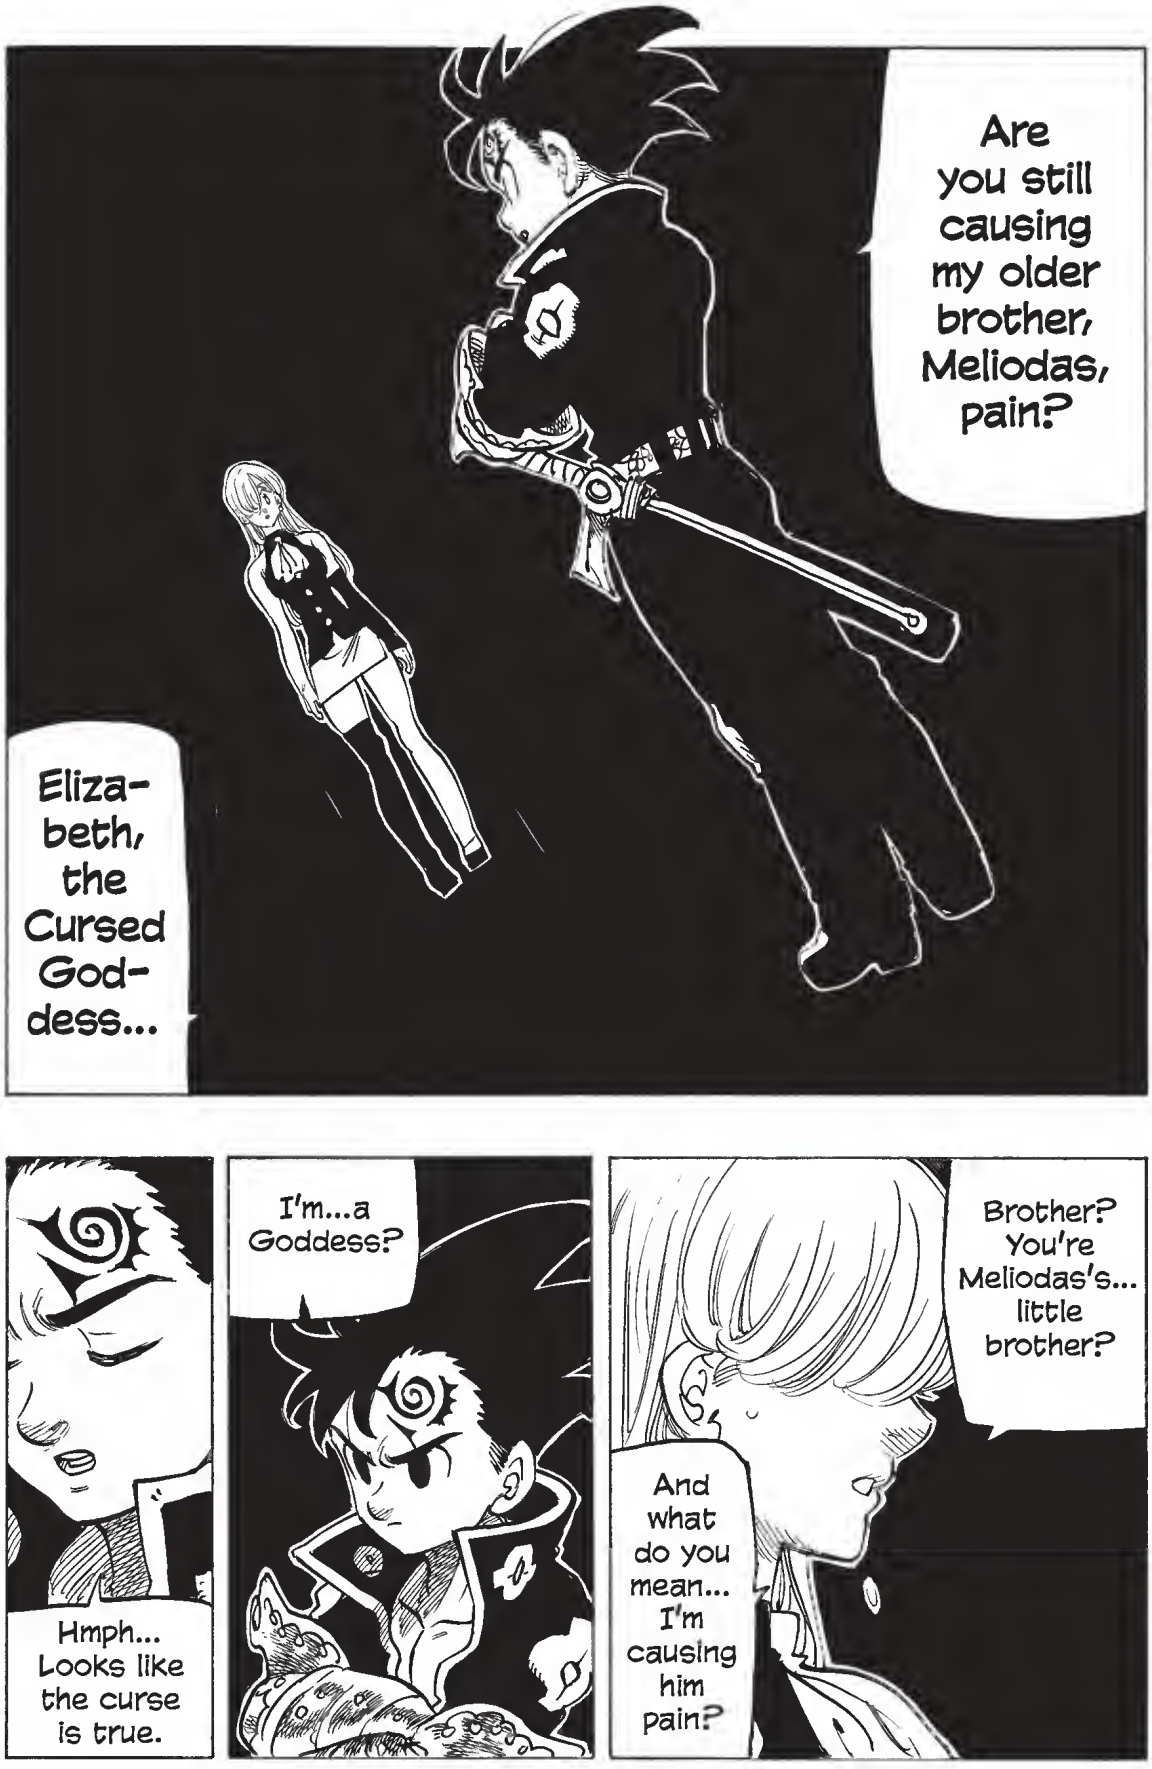
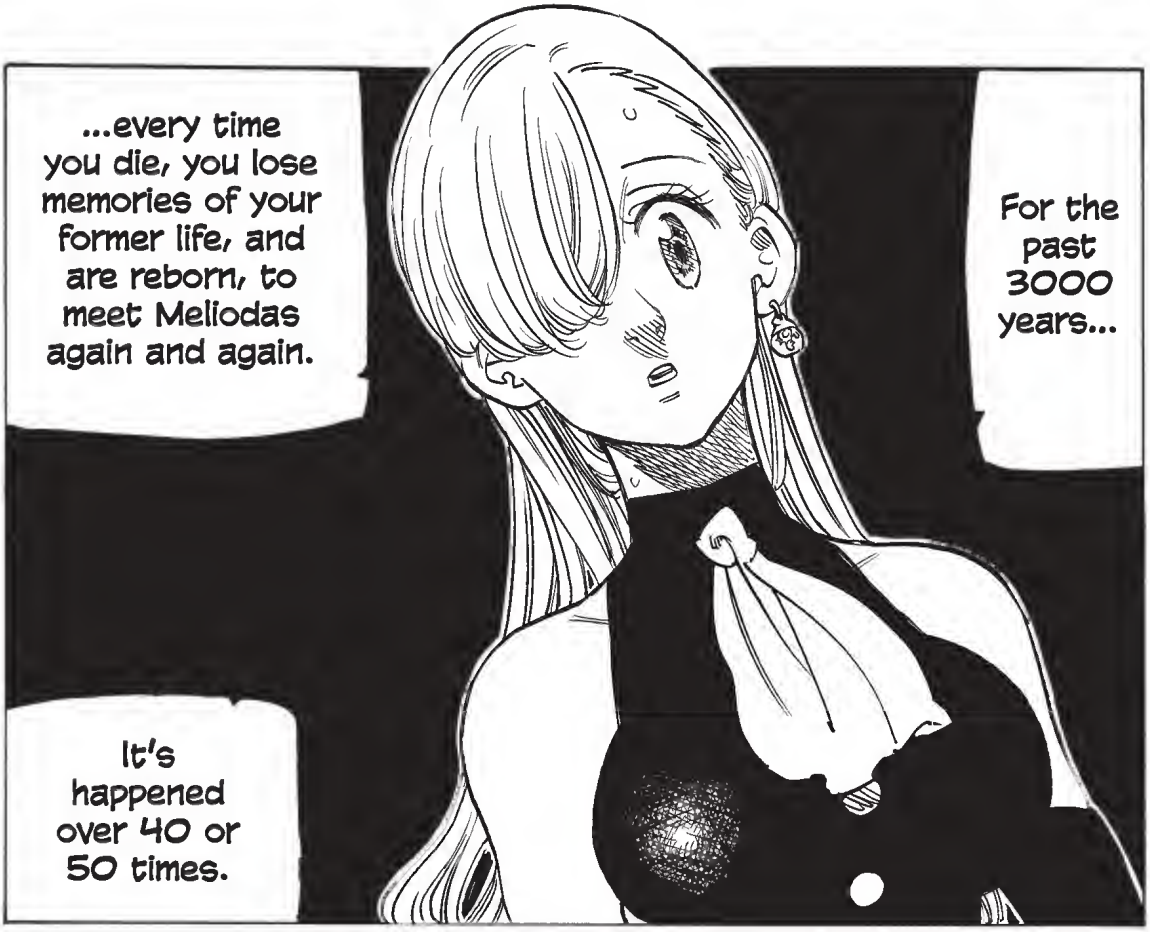
Chapter 222 / The Cursed Lovers



Are you still causing my older brother, Meliodas, pain?
Eliza-beth, the Cursed God-dess...
Hmph... Looks like the curse is true.
I'm...a Goddess?
Brother? You're Meliodas's... little brother?
And what do you mean... I'm causing him pain?



...every time you die, you lose memories of your former life, and are reborn, to meet Meliodas again and again.
It's happened over 40 or 50 times.
For the past 3000 years...

Me...?

Of course. That was you.
I just met this man. Why is it that I can't help but think he's telling the truth?
Then...the woman named Elizabeth who was with Meliodas 3000 year ago...

...?
Why are you so happy?

I feel like I'm dream-ing.
What I'd always hoped was true actually is...

I THINK YOU'RE MAKING HIM SUFFER.
That makes me so—
I've always... always been with Meliodas.
GLOW
Me...? Making him suffer...? But why...
Meliodas has always... been by my side... caring about me.
...Is that so?
All the times I was with him.

Currently, Camelot and the 100-mile diameter space around are in a dimensional warp. Neither "Teleport" nor "Absolute Cancel" will work on it. It's protected.
Unless we can break through it, we have no way of getting into Camelot.

250 miles from Liones? What do you think's there?!
Istar... No, it's much farther south than that.

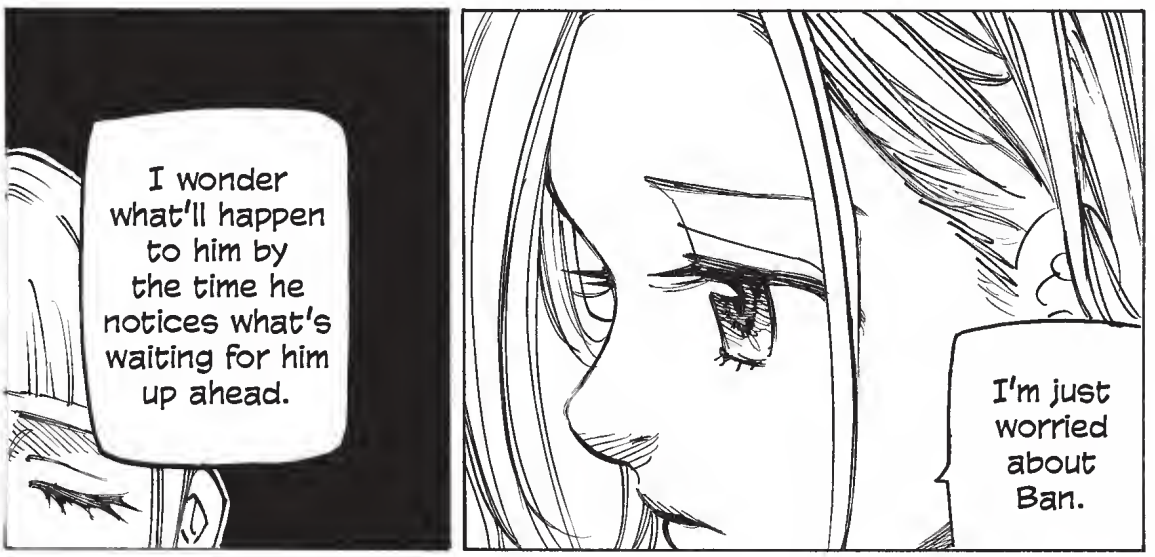
Either way, I don't have much time left.
All things considered, I suppose I'm somewhere between the living and the dead.
The fact that I can see a dead person like you is proof of that.



I wonder what'll happen to him by the time he notices what's waiting for him up ahead.
I'm just worried about Ban.
